

Year 3 - 2011-2014 Three Year Plan – Strategy Action Plan
G1_04

Strategy:	Promote Community Use of Schools to establish schools as community learning hubs.
------------------	---

Goal 1: Learners have their individual needs met.

Outcome 4: Parents and community partners plan a purposeful and sustained role

Performance Measures: Overall teacher and parent satisfaction with parental involvement in decisions about their child's education.

The percentage of parents who agree they have been involved purposefully in their child's learning with the school.

Percentage of staff and parents who agree the school accesses services in the community to support student learning.

Percentage of key government, community, and social agencies satisfied with their working relationship with Rocky View Schools.

MRP	Dave Morris
Resource Person(s)	Chelsea Jackson

Action Steps

	Action Steps
	<ol style="list-style-type: none"> 1. Use school facilities and connections to promote Adult Community Learning opportunities, i.e., adult literacy. 2. Develop partnerships with Campus Alberta to share resources and instructors. 3. Use school facilities to develop greater access to Campus Alberta Partners
