**RE: Director of Learning Announced**

Rocky View Schools' (RVS) Superintendent of Schools Greg Bass is pleased to announce the appointment of Denise Clovechok as Director of Learning, effective August 17, 2009.

“Denise arrives in Rocky View from Calgary Catholic with a wealth of leadership experience in the area of special education,” said Bass. “Rocky View is lucky to have attracted such an outstanding educational professional. I look forward to working with her in the 2009-2010 school year.”

Clovechok has served as Calgary Catholic School District’s Supervisor Instructional Support for the past eight years. In that time, she brought together a team of specialists, including psychologists, social workers, behaviour specialists and mental health specialists, to provide direct services to students and teachers, host inservicing and professional development sessions, and provide leadership services in the area of program development.

Prior to her role as Supervisor, Clovechok worked with Calgary Catholic as a special education teacher, a program specialist, Assistant Principal, Vice Principal, and Principal. Through these roles she was able to mentor and supervise staff, build dynamic learning communities, and build open, honest, collaborative working relationships with colleagues across the District.

Over the years, Clovechok has provided instructional leadership through membership on District and provincial committees, such as the Alberta Teacher Association’s Special Education Council Executive and Alberta Education Programming for Students with Cognitive delays.

Clovechok holds a Masters of Administration from Gonzaga University and a Bachelor of Education from the University of Alberta.

“On behalf of the Board of Trustees, I welcome Denise to Rocky View Schools,” said Board Chair Sylvia Eggerer. “Our leadership team this fall promises to be the best yet.”
