RE: Ralph McCall Acting Principalship Announced

Rocky View Schools' (RVS) Superintendent of Schools Greg Luterbach is pleased to announce the appointment of Nikki Tysowski to the acting principalship of Ralph McCall School in Airdrie, effective August 2019.

“Nikki’s broad insight, coupled with her transformative leadership style and a commitment to students’ intellectual and emotional well-being will serve the Ralph McCall School community well,” said Luterbach. “I extend my congratulations to her and look forward to seeing her in the fall.”

Tysowski’s journey with RVS began in 2008, when she joined the jurisdiction as a humanities teacher at Bert Church High School. Tysowski was appointed assistant principal of Kathryn School in 2014, and in 2018, assistant principal of Chestermere High School, where she remains today. Prior to arriving in Rocky View, Tysowski taught English as a Second Language in Taiwan.

As a school administrator, Tysowski has helped champion High School Redesign, the implementation of RVS’ Literacy Framework and the school-wide adoption of the Response to Intervention Model. After a three-year term on RVS’ Procedural Advisory Committee, Tysowski joined the jurisdiction’s Superintendent Design Team on Instructional Design in 2019.

A leader in learning, Tysowski obtained a Master of Arts with an Educational Research Specialization in Interpretive Studies from the University of Calgary. She also holds a Bachelor of Education from Lakehead University and an Honours Bachelor of Arts in History from the University of Ottawa.

“On behalf of our Board of Trustees, I extend our congratulations to Nikki on her new position as acting principal of Ralph McCall,” said Todd Brand, Board Chair. “We are confident that she will continue to support the jurisdiction well and bring a new perspective to the elementary level.”
