RE: RVS Celebrates Class of 2023 with Graduation Ceremonies

During May and June, Rocky View Schools (RVS) high schools will celebrate the achievements of the Class of 2023 at graduation ceremonies.

“Graduation is a significant milestone, as it marks the end of one chapter of a student’s life and the start of a new path, wherever it may take them,” said Superintendent of Schools, Greg Luterbach. “We are excited to celebrate with our Grade 12 students and we wish them continued success as they look toward their futures. Congratulations to every RVS graduate!”

In RVS there are more than 1,900 Grade 12 students who potentially could graduate this school year.

Information about RVS graduation ceremonies is listed below by date. Media are invited to get in touch with school-based contacts to arrange interviews with valedictorians and attendance at the ceremonies. At this time, some high schools have not selected their valedictorians; this list will be re-circulated once those students have been selected.
