

March 20, 2020

Dear Parents/Guardians,

Earlier today, the Honourable Education Minister Adrianna LaGrange announced Alberta Education's expectations for continuing student learning while in-school classes are cancelled due to the current health emergency.

In the announcement, located on [Alberta Education's website](#), Minister LaGrange outlined the delivery of at-home K – Gr.12 learning expectations, as well as important information in relation to diploma exams being cancelled, report cards, flexibility in graduation requirements and more.

With this announcement, Rocky View Schools is pleased to find the plan we have been working on over the past week aligns nicely with these K – Gr. 12 learning expectations. Details of our jurisdiction's learning continuity plan will be released to our families no later than Wednesday, March 25, 2020.

We remain committed to providing meaningful learning opportunities for our students in the weeks ahead. In the interim, parents can find learning and mental health resources, answers to frequently asked questions, and more on our public website under [COVID-19 Continuity Plan](#).

Thank you for your ongoing support and understanding.

Sincerely,

Fiona Gilbert, Board Chair
