

Calgary and Area RCSD Youth Transitions to Adulthood Project

ENVIRONMENTAL SCAN - DRAFT

C.E. ADAIR

Purpose of Calgary and Area RCSD

The purpose of Regional Collaborative Service Delivery (RCSD) is to enable the collaboration between Health (including Alberta Health Services), Children's Services, Community and Social Services, Education, First Nations and community organizations to address identified needs, coordinate and leverage systems, build system capacity, and plan for sustainability in meeting the needs of children, youth, and their families.

Youth Transitions to Adulthood Project

In late 2016, the Calgary and Area RCSD Executive Team began to engage in discussions about the role of Calgary and Area RCSD in supporting inclusive communities. Transition points (developmental transitions, transitions into and out of services, transitions between systems, etc.) were seen as key areas of opportunity for championing inclusive environments through the development or alignment of supportive cross-sector structures and processes.

Subsequently, the RCSD Transitions Working Group acknowledged that there is considerable work going on in the *youth to adult services* area, but less in the *youth to adulthood* arena. Thinking about youth transitions to adulthood is viewed as a more inclusive perspective – it is not only about receiving services, but about participating to the fullest extent possible in society. Partners indicated a need to understand what work is underway, what the best practices are, and how to align work across systems to enable effective transitions to adulthood. This need formed the basis for the Calgary and Area RCSD Youth Transitions to Adulthood Project. The scope of this work is significant as it involves both child and adult systems across RCSD partner sectors, young offender sector, homeless youth, not-for-profit initiatives, community inclusion strategies, etc.

The purpose of the Youth Transitions to Adulthood Project is to identify opportunities in and across multiple initiatives (programs/services) to improve system (i.e. cross-program/sector) effectiveness of processes aimed at assisting youth with transitions to adulthood, with special emphasis on inclusion and identification of opportunities for alignment across existing initiatives. Phase one of the project included a preliminary environmental scan of youth transitions to adulthood initiatives occurring in Calgary and Area. This initial scan was completed, with the involvement of the RCSD Transitions Working Group, by Dr. Carol Adair in January 2018. The information in the scan was gleaned from the knowledge of partners, exploration of websites, and personal contacts with some specific initiatives. This scan is an informal, internal document intended to inform the work of the Transitions Working Group and the RCSD's Youth To Adulthood System Connector in the subsequent phases of the project, and is a work in progress.

This is a short-term, three to six month program.
Enviros: Youth Transitions to Adulthood Funded by Calgary & Area CFSA	Ages: 15.5 to 22 years with longer-term involvement with C&Y Service System	403-219-3499	Need for supports	Community independence incl. work, education, relationships	The Youth Transitions To Adulthood (YTA) program acts as a transitional, life skill development program for youth who have had long-term involvement with the Children and Youth Services system and

				for those with exceptional circumstances requiring intervention. This program helps youth make the most of the resources available within the community and themselves, and teaches them skills for successful transition into adulthood. Enviros assists with transitions of non-complex and complex youth who have the potential for independence and success in areas such as education, employment and lifelong significant relationships.
High Fidelity Wraparound		403-219-3499		In partnership with Hull Services, Enviros and Calgary Child and Family Services, this program ensures that children and youth grow up in their natural homes and communities. The model emphasizes voice and choice. It enables family/children/youth to identify a team of people they consider to be helpers in
FASD Intervention Services	Caregivers of children under 18 with a FASD diagnosis	403.295.2944		their lives. The team then supports these individuals to achieve their goals. Supports caregivers and other supports in understanding the individualized needs of the child as relates to their FASD

FASD Evolution	Individuals 18 and over with a diagnosis of FASD	403.295.2944			diagnosis. Able to support transition planning. Supports individuals in connecting to needed resources as well as develop strategies. Also provides individualized FASD information for natural and professional supports in effort to create consistency and understanding.
Calgary Alternative Support Services	Youth with DD and youth with FASD	403-283-0611 https://www.c-a-s-s.org/programs	Need for Housing	Housing but also training, work and money management, community involvement	CAPA program: CAPA provides case management, referral, and advocacy support to young adults with complex needs.
Children's Link	Caregivers of Youth with special needs	403-230-9158	Need for supports	Support in adulthood – centrally income but also health supports incl. Home Care, school, recreational/socialization, transportation, housing, continuing ed/vocational, even banking and ID	Staffed by parents that have been there, The Children's Link Society is Calgary's first and only special needs connection. Whether newly diagnosed or struggling through critical life events, our service connects parents with the services they need, when they need it.
Kerby Centre: Personal Directives Program	Individuals who need information and support on co-decision making, guardianship and advance directives.	(403) 705-3246	Need for supports	Supports in adulthood	Information to individuals or groups. One-on-one assistance with guardianship applications and reviews. A self-help kit is used. One-on-one assistance for co-decision makers and supported decision makers. Assistance with the completion and registration of personal directives. Promotion of the use of personal directives and enduring power of attorneys.

Pathways Community Services Association Mentorship Homes	Indigenous youth involved with Children's Services	403 247-5003	Dependent Living	Independent Living/Housing	Mentor Homes is a program that offers Indigenous youth a family to live with until they are able to return home or live on their own. Youth finish school and learn important life-skills. These arrangements are intended to be long-term, natural family relationships.
YARD Calgary Police Services City of Calgary AHS Calgary Neighborhoods	Youth at risk ages 10-17, gang- involved or at risk of engaging in gang-related activity. To participate, youth did not need to be involved in the criminal justice system or have committed a criminal offence.	403-428-8409	Gang involvement or risk of, or peer affiliation	Gang-free life style	The Youth at Risk Development Program (YARD) is a community- based early intervention initiative, delivered in partnership with the Calgary Police Service, Calgary Neighbourhoods, and Alberta Health Services, that supports youth who are at risk of gang involvement. Youth at risk, affiliated with a gang or involved in gang activity. Youth participation in YARD is voluntary. YARD teams, consisting of a police officer and a registered social worker, work closely with youth, their families, schools and community agencies. YARD works to develop an individualized case plan that is family centered to help youth at risk avoid or escape the gang life style. Eligibility is determined by a combination of referrals, staff professional judgment, and the Youth Primary Identification Screening Tool, which placed

					youth into low, average, and high categories of risk. Funded by Calgary Police Foundation

Woods Homes: CATS	High risk adolescents, youth at risk of homelessness, self-harm, sexual exploitation, and/or various vulnerabilities -Ages 12 to 23	https://www.woodshomes.ca/our-services/homeless-and-atrisk-youth/	Crisis, homelessness, at risk	Addressing medical and health needs	Calgary Adolescent Treatment Services (C.A.T.S) is where young people can get the help they need. The clinic provides free and confidential on-site medical support to high-risk adolescents. For many, it's the first time they've seen a doctor in years. Dr. April Elliott and Dr. Ellie Vyver are pediatricians and adolescent specialists that are available to young people (ages 12-23) two days a week, on a walk-in or appointment basis. *emphasis on non-judgmental services and medical support, and wrap-around services. Assess on individual case by case basis to deliver supports and service according to unique need.
Woods Homes: Exit Community Outreach REACH	Exit Community Outreach: High risk adolescents, youth at risk of homelessness, self-harm, sexual exploitation, and/or various vulnerabilities -Ages 12 to 24		Crisis, experiencing or at risk of homelessness, self- harm, sexual exploitation	Providing support and services to youth who are currently homeless or at risk	exit Community Outreach is a downtown storefront, outreach and mobile van service that assists young people (typically ages 12-24) who have run away; or who are at risk of self-harm; or who are involved with sexual exploitation. The young people may also be in conflict with community, family, or the legal system. EXIT serves any young person who is in need of, or

			wants, support and assistance
			while on the street.
			EXIT is committed to supporting
			self-sufficiency by coordinating
			resources to assist and support
			young people who live on
			Calgary's streets. Through
			counselling and service referral,
			EXIT promotes the health of
			young people while they live on
			the streets and provides
			assistance when they choose to
			leave the streets.
			*described as a downtown
			warming centre a place for
			youth to feel safe,
			shower/clean, stay warm. This
			location will be moving from
			downtown to Inglewood,
			intends to be a one-stop shop,
			clinic will be moving there as
			well.
	REACH: High risk adolescents,		We
	youth at risk of homelessness,		REACH
	self-harm, sexual exploitation,		REACH
	and/or various vulnerabilities		EVIT C
	-Ages 15 to 24		EXIT Community Outreach
	-		started a new program called
			Reach on April 1, 2015. This
	*Generally no exclusionary		program provides clinical and
cr	riteria to service access beyond		mental health supports to
	age		clients (15-24) through agencies
	J		funded by Calgary Housing. The
			program was created following a
			demand for clinical services for
			clients in the Housing First

				programs via the Calgary Homeless Foundation. REACH consists of two clinicians who provide no-cost, walk-in counselling services at EXIT Community Outreach (117 7 Ave. S.W. Calgary) every Friday morning from 9 a.m. to 3 p.m. The clinicians also run a monthly group for the clients in our New Horizon program. This group
				covers a variety of topics including well-being, addictions, healthy relationships, positive choices and building self-confidence. Referrals to REACH can be made through the Co-ordinated Access and Assessment (CAA). There is a focus on supporting LGBTQ2S+youth, as it is recognized that many of these youth are accessing street services. The organization is currently looking into offering programming and supports specific to LGBTQ2S+

	newcomer settlement and integration into Canadian society. Transition to adulthood not primary purpose but is indirectly served by settlement and integration focus. • Eligibility: 12 to 20 years old, immigrant or refugee status. Must have a PR card or proof of newcomer status to take part in this program. • Offers ~8 events per month where youth can register in (have limited capacity) events/workshops that offer skills/tools or volunteer opportunities
	volunteer opportunities
	and mentees (recent newcomers). Once matched the program encourages pairs to communicate between events or attend ISC events together. • Volunteering

				youth with volunteer opportunities within the community [ISC has partnered with Making Changes, Inn from the Cold, Drop-in Centre, Food Bank and BGCC to create volunteer opportunities] • Support youth in overcoming barriers to education and employment when needed by offering study tools, resume help.
Mentorship Program RBC Youth Empowerment Bridge Foundation	403-230-7745	Landing	Community integration	Afterschool program improving sense of belonging and understanding of Canadian culture. In-school settlement/tutoring Our programs focus on building knowledge of Canada and Calgary's culture; active participation and integration within the local community; improved English language skills; development of personal, social and leadership skills; and successful graduation from school. Our staff is culturally sensitive to the needs of individuals from varying cultures and communities. We tailor our support to youth and their

			families based on their background, experience, and level of need. Every interaction is meant to ease the journey to Canadian life for newcomers and immigrants.
RBC Youth Empowerment: High school Immigrant youth, English learners	RBC Youth Empowerment: secondary education	RBC Youth Empowerment: post-secondary education/ Canadian society/personal development	RBC Youth Empowerment: The RBC Youth Empowerment Program uses a holistic approach to help high school immigrant and English learners to overcome challenges in the classroom. We offer free academic tutoring in math, sciences, literacy, and writing. Youth are also exposed to post-secondary education through tours of universities and colleges. This program runs after school from Monday to Friday, and sessions are 2 hours long. Through this program, we seek to help students: Increase their grades Practice English language skills Improve reading and writing skills Develop leadership
			skills

Integrated Transition Planning for Youth with Disabilities

Human Services programs – including Family Support for Children with Disabilities (FSCD), Persons with Developmental Disabilities (PDD), Assured Income for the Severely Handicapped (AISH),
Office of the Public Guardian and Trustee (OPGT), and Alberta Works – are committed to assisting youth and their families with planning for the future, supporting youth in reaching their full potential, and coordinating access to programs and services they may need.

All youth age 16 and 17 who are accessing the FSCD program are supported by a transition planning team consisting of Human Services program staff and community partners. The team works with the youth and their family to create a Transition to Adulthood Plan. This plan helps the youth identify and achieve their goals and vision for the future.

Transition planning meetings are held with the youth and team members to develop, review, and monitor the youth's plan.

Working together in an integrated way sets a strong foundation for youth to experience a smooth transition to adulthood and to achieve their goals.

Learn more about how having a vision for the future can help with the transition to adulthood.
