2023-2024 Enrollment Forms

Enrollment forms for students returning to bus service, or some new students that have been deemed eligible for bus service, will be assigned to your student in SchoolEngage in the coming week. Once your student's form has been assigned, you will receive a notification email.

If you have multiple students, please allow a few days for all of your students' forms to be assigned. RVS Transportation manually assigns these forms one school at a time.

If you do not require bus service for 2023-2024, please complete the Enrollment form and select "No" for the first question.
