RE: RVS celebrates Class of 2024 with graduation ceremonies

During May and June, Rocky View Schools (RVS) high schools will celebrate the achievements of the Class of 2024 at graduation ceremonies.

“Graduation is an exciting time for our Grade 12 students and the high school community,” said Superintendent of School, Greg Luterbach. “The ceremonies bring students, families and staff together to celebrate a major milestone in these young people’s lives. While they mark the end of their time with RVS, it is also the beginning of the next chapter of their journeys, whether that leads to post-secondary education, gap-year programs, travel or entering the workforce. Congratulations to every member of the Class of 2024 – we wish you great success on whatever path you choose.”

RVS could see approximately 2,000 Grade 12 students graduate this school year.

Graduation ceremonies are listed below by date. Media are invited to get in touch with school-based contacts to arrange interviews with valedictorians and attendance at the ceremonies. At this time, some high schools have not selected their valedictorians; this list will be re-circulated once those students have been selected.
