RE: RVS celebrates Class of 2025 with graduation ceremonies

Beginning in May, Rocky View Schools (RVS) high schools will celebrate the achievements of the Class of 2025 at graduation ceremonies.

“High school graduation is always an exciting time, as we join schools and families in celebrating the accomplishments of our Grade 12 students,” said Superintendent of Schools, Greg Luterbach. “As these students finish high school and begin their next chapters, RVS is proud to have supported their learning journey and equipped them for their future. Congratulations to the Class of 2025!”

RVS could see approximately 2,300 Grade 12 students graduate this school year.

Graduation ceremonies are listed below by date. Media are invited to get in touch with school-based contacts to arrange interviews with valedictorians and attendance at the ceremonies. At this time, some high schools have not selected their valedictorians; this list will be re-circulated once those students have been selected.
