

When candidates for the Board of Trustees of Rocky View Schools (RVS) are out campaigning, ask them where they stand on the issues that matter to RVS' communities.

- Why are you running for RVS Board trustee?
- How will you represent diverse perspectives in your community?
- What qualifications and background do you have that make you a strong candidate?
- What do you think is the biggest challenge facing RVS? What might you do as a trustee to help address this challenge?
- How do you plan to engage with school families and community members?
- If elected, what would you advocate for?
