May 4, 2021

Dear RVS Parents/Guardians,

Today (May 4) the Government of Alberta announced that all students Kindergarten to Grade 12 province-wide will temporarily shift to at home learning as part of new COVID-19 restrictions. This means that **all RVS schools will move to temporary at-home learning starting Friday, May 7, 2021**, under our [Scenario 3 Plan](#). At-home learning will continue until Tuesday, May 25.

We have Temporary At-Home Learning Parent/Student Guides for Kindergarten to Grade 6 and for Grade 7 to 12 on our website as resources and will update them following further information from the government on Wednesday.

Students currently in RVS Online Learning will continue as they would normally. Bus service will temporarily stop starting May 7.

Families and students will be contacted by their school and their teachers about how learning will be supported during this temporary at-home period as quickly as possible. We appreciate your patience and understanding as teachers prepare for this quick transition. We will keep you informed as the situation evolves and we have new information.

Your child's well-being is our primary focus, and we are committed to supporting their learning. We thank you for your cooperation as we all work together through this challenging school year.

Sincerely,
