Dear RVS Parents/Guardians,

In preparation for your decision regarding the learning method (in-school or online) you will commit your child to from February 2021 for the remainder of the school year, more information has been provided on our website.

This includes updates to our [COVID-19 Information for 2020/21 School Year](#) section of our website, an updated overview of our [RVS Online Learning](#) offering and a [video](#) walking you through how to make your selection using SchoolEngage.

As a reminder, all parents/guardians are required to select your child's learning mode in [SchoolEngage](#) during the following dates (the system will only be open during these dates):

- Grades 1 to 8/9*: Jan. 11 - 15
- Grades 9*/10 to 12: Dec. 8 - 14

*Grade 9s at Chestermere Lake Middle, Indus, Langdon, W.G. Murdoch, Prince of Peace and Beiseker will make their selection between Jan. 11 and 15 given how their timetable is arranged; Gr. 9s in Gr. 9 to 12 high schools will need to make their selection between Dec. 8 and 14 given how their timetable is arranged.

Families of children who are of eligible Kindergarten age this school year and did not send them to in-school learning in the fall, may choose to do so at any time before the end of the school year. There is no online option for these students. Please contact your school's office directly for more information.

Thank you in advance for taking the time to make your selection(s) when your time comes. Whatever the choice is for your family, we look forward to teaching them in-school or online throughout 2020/21.

Sincerely,

Greg Luterbach
Superintendent of Schools
