Hello RVS families,

As you are likely aware the Government of Alberta announced new COVID-19 public health measures that will come into effect Friday, Nov. 13. We wanted to inform you of some temporary changes that may affect your child(ren).

Effective Nov. 13-27, the community-specific mandatory measures that impact Rocky View Schools include:

- All indoor team sport activities, including practices, are banned. Physical education courses are permitted to continue to use the gym, dance/fitness areas and weight room. Drop-in use of weight rooms/fitness centres is banned.
- Drama, music, singing, and band can continue but only within existing cohorts, under existing guidance previously provided, and with no performances to others outside the class cohort.

Thank you for your understanding and cooperation while we implement these new measures. Please see more information on the [public health measures](#) on the Government of Alberta's website.

Sincerely,

A handwritten signature in black ink, appearing to read "Greg Luterbach".
